

The Cape Cod Association

Congratulates Its

2011 Scholarship Award Recipients

In 1851, a group of successful gentlemen, all living and working off-Cape, came together to support one another and stave off the loneliness they felt for their beloved Cape. Through the years, their group grew and slowly started offering tuition assistance to other Cape Codders to follow their dreams. Today, the Cape Cod Association is one of the oldest and largest independent scholarship funds in New England, this year awarding over \$400,000 to 337 Cape & Island students. We're proud to be a thick thread of the Cape's history and a gateway to Cape Cod's future. The following are our 2011 scholarship recipients. We wish you all a successful year.
