The Cape Cod Association

Congratulates Its 2020 Scholarship Award Recipients

Awarding more than \$440,000 to 323 students from the Cape & Islands.

In 1851, a group of successful gentlemen, all living and working off-Cape, came together to support one another and stave off the loneliness they felt for their beloved Cape. Through the years, their group grew and slowly started offering tuition assistance to other Cape Codders to follow their dreams. Today, the Cape Cod Association is one of the oldest and largest independent scholarship funds in New England, this year awarding more than \$440,000 to 323 students from the Cape & Islands. We're proud to be a thick thread of the Cape's history and a gateway to Cape Cod's future. The following are our 2020 scholarship recipients. We wish you all a successful year.
