

**GRACE COTOIA, SOUTH YARMOUTH**  
Fairfield University, Psychology

I am incredibly grateful for this scholarship... I have two younger brothers who will be graduating high school and my parents will have to pay for three college educations. As of right now, I plan on going into the psychology field in a track in Industrial Organizational Psychology. This path will allow me to work in HR, helping businesses improve the quality of work life for their employees.

SUPPORTING EDUCATION SINCE 1851

# CAPE COD ASSOCIATION

CAPE COD ASSOCIATION (CCA), one of the oldest and largest independent scholarship funds in New England, is a partner of The Cape Cod Foundation. This year, it awarded \$476,500 in scholarships to 305 students from Cape Cod, Martha's Vineyard, and Nantucket.

The Association was established in 1851 by a group of successful gentlemen with Cape Cod roots. Its mission is to help young people who were born and reside on Cape Cod or the Islands achieve success in higher education. Local students can receive scholarships for up to four years of undergraduate study at colleges and technical schools across the United States.

While this training was grueling at times, it was extremely educational and a rewarding opportunity of my lifetime so far.”**

A young woman with dark hair, wearing a black long-sleeved top and white sneakers, is sitting on a large rock. The rock is covered in vibrant, multi-colored graffiti, including shades of blue, red, purple, and pink. The background shows lush green foliage and trees. The overall scene is outdoors and artistic.
